Realizar trazos curvos

Tracing practice grid on a blue grid background. The grid contains several rows of dashed lines for tracing. The first row shows a solid example of a downward curve with blue arrows indicating the stroke direction, followed by seven dashed versions. The second row shows a solid example of an upward curve with blue arrows, followed by seven dashed versions. The third row contains two dashed downward curves followed by eight dashed upward curves. The fourth row contains two dashed downward curves followed by eight dashed upward curves. The fifth row contains one solid downward curve followed by eight dashed downward curves. The sixth row contains one solid upward curve followed by eight dashed upward curves.

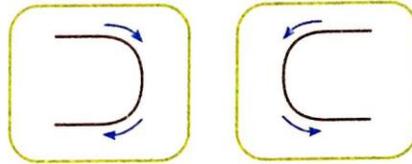

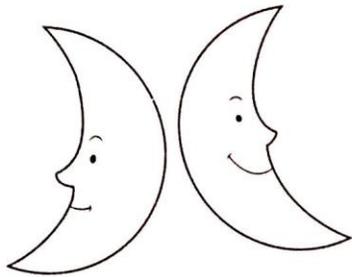

- ¿Qué hacen los niños?
- Pinta de color azul la cuerda que está arriba y de color rojo la que está abajo.
- Repasa las líneas punteadas y continúa los trazos guiándote por los puntos.

Realizar trazos curvos

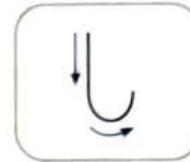

Tracing practice grid on a grid background. The grid contains several rows of dashed lines for tracing. The first row shows a solid 'C' with stroke direction arrows, followed by dashed 'C's with red starting dots. The second row shows dashed 'C's with red starting dots. The third row shows dashed 'C's with black starting dots. The fourth row shows a solid 'C' with stroke direction arrows, followed by dashed 'C's with red starting dots. The fifth row shows dashed 'C's with red starting dots. The sixth row shows dashed 'C's with black starting dots. The seventh row shows dashed 'C's with red starting dots. The eighth row shows dashed 'C's with black starting dots. The ninth row shows dashed 'C's with red starting dots. The tenth row shows dashed 'C's with black starting dots.

- ¿En qué momento podemos ver la luna?
- Pinta de color naranja la luna que mira hacia la derecha y de color amarillo la que mira hacia la izquierda.
- Repasa las líneas punteadas y continúa los trazos guiándote por los puntos.

OA 8 Realizar trazos curvos

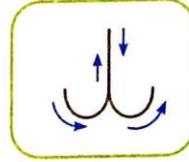

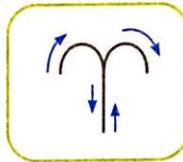

Handwriting practice grid with 10 rows and 12 columns. The first row of each section contains a solid example of the stroke with arrows indicating direction. The following rows contain dashed lines for tracing, with a solid dot at the starting point of each stroke. The first section (rows 1-4) practices the hook-and-curve stroke, and the second section (rows 5-8) practices the vertical-to-curve stroke.

- Pinta el paraguas cerrado de color verde y el paraguas abierto de color morado.
- Repasa las líneas punteadas y continúa los trazos guiándote por los puntos.

AE 11. Realizar trazos curvos

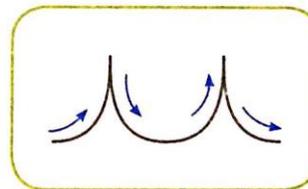

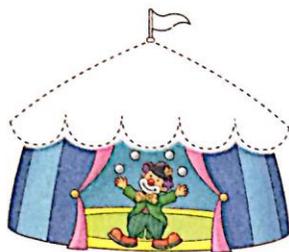

Handwriting practice grid on a grid background. The grid is divided into two main sections. The top section is for the letter 'm' and contains four rows: the first row has a solid 'm' with a starting arrow, followed by three rows of dashed 'm's for tracing. The bottom section is for the letter 'n' and also contains four rows: the first row has a solid 'n' with a starting arrow, followed by three rows of dashed 'n's for tracing. Each row of dashed letters has a red dot at the starting point of the stroke and a blue dot at the end of the stroke.

- ¿Para qué sirve un quitasol? ¿Para qué sirve una reja?
- Pinta el quitasol y la reja del jardín.
- Repasa las líneas punteadas y continúa los trazos guiándote por los puntos.

AE 11 Realizar trazos curvos

Tracing practice area consisting of 10 rows:

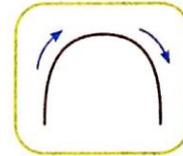

- Row 1: Dashed curves with a blue arrow indicating the starting stroke direction.
- Row 2: Dashed curves with a blue arrow indicating the starting stroke direction.
- Row 3: Dashed curves with a blue arrow indicating the starting stroke direction.
- Row 4: A horizontal line with blue dots for starting points.
- Row 5: A horizontal line with blue dots for starting points.
- Row 6: A horizontal line with blue dots for starting points.
- Row 7: Dashed curves with blue dots for starting points.
- Row 8: Dashed curves with blue dots for starting points.
- Row 9: A horizontal line with blue dots for starting points.

- ¿Has ido alguna vez al circo? ¿Qué es lo que más te gusta del circo?
- Repasa las líneas punteadas del techo de la carpa y píntalo.
- Repasa las líneas punteadas y continúa las guirnaldas guiándote por los puntos.
